

Friends of Woodhaven

NEWSLETTER FOR DECEMBER 2020

Dear Friends of Woodhaven and Okanagan Neighbours,

Greetings! With the latest provincial updates, we will not be able to offer in person events at the park this month. However, we can all still go outdoors individually and with our families, so we have some ideas to get you started... We would like to invite you to a Zoom event to tell you more!

**1. NATURE WITHOUT BARRIERS
VIRTUAL EVENT DECEMBER 19, 1:00 - 2:30 P.M.**

Please join UBC, the City of Kelowna, the Friends of Woodhaven Nature Conservancy, and UBC grad student Ahlam Bavi, on Zoom for a virtual neighbourhood event. Learn how to use your smart phone to bring woodland creatures into Woodhaven Nature Conservancy, your backyard, or even your own living rooms! Also learn about a new project where you can sketch in the woods, virtually share your work and get a checklist of “Creatures of Woodhaven” to begin keeping track of our animal neighbours. You are all welcome to attend! Mark your calendars, and join us online, using the link provided at the bottom of this letter.

2. SKETCH ACROSS CANADA & INTRODUCING OUR NEW NATURE SKETCH CLUB!

1. More information will be posted at friendsofwoodhaven.ca on Dec. 16th, and introduced at our December 19th event
2. **PICK UP YOUR FREE POCKET SKETCHBOOK** - Woodhaven heritage house mailbox Dec 19 - Metal Burbridge box to your left when entering the parking lot.

Please visit our website and/or social media pages. More information will be posted soon!

Yours sincerely,

FOW Board of Directors
Leah, Susan, Nancy and Lori (ex-officio)
